Comprehensible

WHAT WE DO

HUD Secure System

- > Frustrated setting up Coordinators and Users?
- > Never have access to what you need?
- > Can't get through to the HUD Help Desk?

Murphy Consulting provides straightforward instructions to guide you through the twists and turns of WASS set-up. Our comprehensive approach considers all your access needs: APPS, EIV, iMAX, LOCCS, PASS and more.

HUD 2530 & APPS

- > HUD 2530 giving you a headache?
- > APPS system confusing?
- > HUD's Manual overwhelming?

Murphy Consulting assists developers, managers and owners frustrated with the dreaded HUD 2530 Previous Participation reporting. Whether you file the paper form or an APPS electronic submission, gaining HUD's approval relies on prompt, accurate preparation.

HUD Flags

- > Startled by unexpected HUD Flags?
- > Puzzled about how to resolve them?
- > Wish you could predict or prevent them?

Murphy Consulting works to resolve your HUD Flags and to identify Flags before they impede approvals. Anticipating, resolving and preventing HUD Flags keeps our clients out of DEC, HQ and PPSD review.

HOW WE DO IT

Classes on Demand

Attend the training you need at your location, our location or via webinar. Schedule cost-effective group training on topics ranging from 2530 submissions or EIV access to REAC appeals or HUD Flag resolution. Classes vary from 2 hours to 2 days, depending on your needs.

Personal Program

Receive one-on-one help with registration, access, submissions and roadblocks encountered along the way. Murphy Consulting's reasonable Fixed Fee Program identifies your needs, creates a plan to reach your goals and assists you with execution and success.

"WE WERE GENERALLY UNSUCCESSFUL AND TERRIBLY FRUSTRATED WITH APPS AND EIV, THEN WE MET MURPHY CONSULTING." — *Goodwill Industries*
